Loving You Tonight

Squeeze

The full moon's glowing
Blood red in the sky
It hangs like fire
On this winter's night
I sit on feelings
That hang in suspense
Nothing in my life makes sense
A question mark hangs with the stars up above
As I'm driving home to the one that I love
Sometimes I can't see the trees for the wood
Loving you tonight feels good
The moonlight changes
From red into white
It sits on tree tops
Asleep for the night
I see the signpost
The road slowly bends
Nothing in my life makes sense
A flashing tail light speeds across the sky
My head's cooking trouble as thoughts seem to fry
The last temptation was misunderstood
Loving you tonight feels good

I'm faced with the ultimate truth
What if I see things don't improve
I know they could
Loving you tonight feels good

The sun is rising
There's mist all around
She sleeps beside me
And I feel so proud
Am I in heaven
With her by my side
This is how love feels tonight
