

That's why I don't go outside  
That's why I don't go outside

Pale teeth and white smiles  
They don't care and I don't mind  
Pale bricks and white smiles  
It's why I don't go outside  
I've got a brand new car right out my drive  
But there's pale bricks and white smiles  
It's why I don't go outside

I don't go outside, outside, outside  
I've got flagpoles firmly in my sights  
I don't go outside, outside, outside  
I've got flagpoles firmly in my sights  
I don't go outside, outside, outside  
I've got flagpoles firmly in my sights

Legs still but the herd is in motion  
Legs still but the herd is in motion  
Legs still but the herd is in motion  
Could you do another and could we be in motion  
Legs still but the herd is in motion  
Legs still but the herd is in motion  
Legs still but the herd is in motion  
Could you do another and could we be in motion

Pamphlets through my door and pamphlets on my floor  
Open wide, we got everything, everything that you like  
Pamphlets through my door and pamphlets on my floor  
Open wide, we got everything, everything that you like

Pamphlets through my door and pamphlets on my floor  
Open wide, we got everything, everything that you like  
Pamphlets through my door and pamphlets on my floor  
Open wide, we got everything, everything that you like
