

Oh, where were you when the ice came to town?  
Oh, where were you when the ice came around?  
You don't remember?  
You don't remember?

Was there enough to kill the whole damn street?  
Was there enough to improve your swing?  
You don't remember?  
You don't remember?

Where were you when the ice came around?  
Oh, where were you when the ice came to town?  
You don't remember?  
You don't remember?

Did your fame come a little too late?  
Do you find it carries far too much weight?  
You don't remember  
You don't remember

I'm falling in, I'm falling out, I'm falling back  
I'm falling in, I'm falling out  
Falling back, falling in  
Oh, Anna  
Oh, Anna

I'm falling in, I'm falling out, I'm falling back  
I'm falling in, falling out  
Falling in, falling out  
Oh, Anna  
Oh, Anna

Well, I've always been told what to do  
But now I'm free  
There's no warden  
Following me  
Following me  
Following me

But now I'm free  
There's no warden  
Following me  
Following me  
Following me  
Following me  
Following me  
Following me  
Following
