

Hands Melt

Squirrel Flower

You make my hands melt
You make my hands melt
You make my hands melt
You run instead of walk, whistle instead of talk
You run instead of walk, whistle instead of talk

You make my hair curl
You make my hair curl
You make my hair curl
You run instead of walk, whistle instead of talk
You run instead of walk, whistle instead of talk

You make my stomach ache
You make my stomach ache
You make my stomach ache
You run instead of walk, whistle instead of talk
You run instead of walk, whistle instead of talk
You run instead of walk, whistle instead of talk
You run instead of walk, whistle instead of talk
