

I Won't Walk Inside

Squirrel Flower

I won't walk inside, I want to feel cold
My fingernails fall off, it makes me feel old
Got a green band-aid on my face
We were talking and I noticed he was holding a nail clipper
Then I walked outside till my fingers turned blue
My fingers turned blue

I won't walk inside, I want to feel cold
My fingernails fall off, it makes me feel old
Got a green band-aid on my face
We were talking and I noticed he was holding nail clipper
Then I walked outside till my fingers turned blue
My fingers turned blue
My fingers turned blue
My fingers turned blue
My fingers turned blue
