

ruby at dawn

Squirrel Flower

Ruby at dawn
Walked all of me home
Couldn't tell the difference
Between our clothes

I wore her shirt
She wore my shoes
I didn't think I'd
Be the one she'd choose

The air was thin
The bugs were loud
We stood in silence
We were the crowd

Ruby at dusk
Is how I'll remember
An innocent murder
The dead of the summer

And it was sweet, how it felt
Speeding in
To the night with you
Speeding in

I know, I know
How much can change
But I know that the night
Caresses my room

Now it is summer
And the sun is falling down
To the ground
To the ground

Ruby at dawn
Walked all of me home
Couldn't tell the difference
Between our clothes

I know, I know
Not to feel regret
And the light of the sky
Caresses my room
The light of the sky
Caresses my room
