

Evening At Lafitte's

Squirrel Nut Zippers

We meet at lafittes each night as twilight sleeps
A kind of reverie
A kind of sleepy feeling is creeping over me
That's the place for dancing and romancing
That's the place where you and me could go if we were lovers st
ealing
An evening at lafittes

When we meet at lafittes each night as twilight creeps
A kind of reverie
A kind of sleepy feeling is creeping over me
That's the place for dancing and romancing
That's the place where you and me could go if we were lovers st
