Karnival Joe (From Kokomo)

Squirrel Nut Zippers

Who's the bloke who's got the show
Girls all in a row?
Ho ho ho, Karnival Joe from Kokomo
Who's the man with the red right hand
He's ready for a showdown
Ho ho ho, Karnival Joe from Kokomo

He's the kind of cat that'll make you wish you'd owned him
Turn around and make you wish you'd never never known him
Step right up and buy a ticket to the one-man show:
Ho ho ho, Karnival Joe from Kokomo

Who's the chick who's got that shtick
She's got that dirty lowdown
Oh oh oh, Circus Queen of New Orleans
People come both the young and old
She shakes like jelly in a bowl
Oh oh oh, Circus Queen of New Orleans

She's the kind of chick who makes you wish you owned her
Turn around and make you wish you'd never ever known her
Step right up and buy a ticket to that midnight show:
Oh oh oh, Circus Queen of New Orleans

Now people come from both near and far
To see the homunculus in a jar
Ho ho, Karnival Joe from Kokomo

She does the dance, they call "Shalom
Maybe you could teach the wife at home!"
Oh oh oh, Circus Queen of New Orleans

He's the kind of cat that makes you wish you owned him
Turn around and make you wish you'd never never known him
Step right up and buy your ticket to this one-man show:
Ho ho ho, Karnival Joe from Kokomo

Oh oh oh, Circus Queen of New Orleans
Ho ho ho, Karnival Joe from Kokomo
