

Mr. Wonderful

Squirrel Nut Zippers

Mr. Wonderful, that's who you are
The way you glide upon your star
The clothes you wear, cut of your hair
Mr. Wonderful

Mr. Wonderful, that's you
With everything you say and do
The razzmatazz, the old soft shoe
Mr. Wonderful

I wish I could be out on a
Footloose and fancy-free

Like Mr. Wonderful, that's who you are
The way you glide upon your star
Now she's with you
What shall I do?

Mr. Wonderful, that's who you are
The way you glide upon your star
Now she's with you
What shall I do

To Mr. Wonderful?
