

## Pay Me Now (Or Pay Me Later!)

Squirrel Nut Zippers

Pay me now or pay me later  
It's nobody's business how I do  
You can pay me now or pay me later  
Either way it's coming back on you

Well, a woman is a creature  
That's always been bold  
If I don't get my stacks, Jack  
I'm about to get you told

You can pay me now or pay me later  
I'll see ya, alligator, after while

(Pay me now or pay me later)

(Pay me now or pay me later)

A nickel is a nickel and a dime is just a dime  
The way you handles business is about to blow my mind

I'll see you, alligator, after while!
