

# Until We Strike Back

SS-Kalient

They try to destroy our dreams  
Our hope and all what that means- Until We Strike Back!  
We were born in the shit  
In a system that will never fit- Until We Strike Back!  
Broken by the law, we will not give up  
Always fucked up our whole life- Until We Strike Back!

UNTIL, UNTIL...UNTIL WE STRIKE BACK!

Bloody face, broken nose  
Swear repayment swear revenge- Until We Strike Back!  
Lying justice and wrong morality  
Power to us fucking furiously- Until We Strike Back!  
Never give in, we will fight  
Never surrender, just wait- Until We Strike Back!
