Do you know that from the moment I saw first saw you
It was you let's walk together on the road in front of us
A beautiful day is spread out in front of us

I wanna be with you my love
I promise you under the sky
I will protect you
For eternity
I wanna love you forever
Can you see it, my heart
Please breathe beside me
For eternity
I love you
I love you

Do you know that you are my happiness
I will confess my love, forever please
Be by my side

I wanna be with you my love
I promise you under the sky
I will protect you
For eternity
I wanna love you forever
Can you see it, my heart
Please breathe beside me
For eternity
I love you
I love you

Any challenge that comes our way
Let's overcome it with our love

Please look at me for eternity
Please hold me for eternity
Love me for eternity
So that we'll be happy
Looking at only you for eternity (forever)
I pray that we'll be happy

I wanna be with you my love
I promise you under the sky
I will protect you
For eternity
I wanna love you forever
I hope that our love will be happy
Let's create by ourselves
Beautiful days
I love you
For eternity
