

## 2AM

SSGKobe

Yeah it's two in the mornin' and I'm sleep (two in the morning)  
And I know that you cravin for me (and I know that you cravin' for me )

We fallin apart but that's obviously (yeah it's obvious)  
I hit from the back and you lookin at me  
So come pop this perc and go soaring with me  
And girl I love you I swear that you need (oh)  
Sabride in your beauty (oh)  
In that maybach just you and me (oh)

Pop a perc, pop a ten could you imagine (imagine)  
Call you my bae, fall in love like ashes (like ashes)  
And ima ball so hard, til I'm in a casket (in a casket)  
And baby I need your love just like a addict  
I'm off of a 10 so you know that I'm gone  
I flashed out on a bitch, she still blowin my phone  
I'm still fucking these hoes, but you calling me home  
And I'm sick of these hoes always doubting me, oh

Yeah it's two in the mornin' and I'm sleep  
And I know that you cravin for me  
We fallin apart but that's obviously  
I hit from the back and you lookin at me  
So come pop this perc and go soaring with me  
And girl I love you I swear that you need  
Sabride in your beauty  
In that maybach just you and me

Grab you by your ass when we fuckin, yeah you gaggin  
Runnin to that bag, blue strips like the magic  
Skinny light skin classy, but she cookin' ratchet  
Little shawty say she love me, but I think she love my fashion  
When I'm leavin out the house, then you know her ass is taggin'  
More bud in my fingers, smokin gas we in the traffic  
She get on her knees and please a nigga like she catholic  
Rub the clip up on the gun we shoot it, it cause static

Look at the pain that you gave me girl  
Look at the love that you gave me girl  
You took my heat and you broke it girl  
You took my heat and you tore it girl

Yeah it's two in the mornin' and I'm sleep  
And I know that you cravin' for me  
We fallin apart but that's obviously  
I hit from the back and you lookin at me  
So come pop this perc and go soaring with me  
And girl I love you I swear that you need (oh)  
Sabride in your beauty (oh)  
In that maybach just you and me (oh)
