

## Bad Day

SSGKobe

Whoa, whoa  
Whoa, whoa  
Whoa, whoa  
Whoa

Ay, you call me on a bad day (Uh)  
Don't worry about the mess 'cause I'ma clean it later (Uh)  
Don't worry 'bout how many joints up in that ashtray (Uh)  
My worry 'bout how many blunts up in that ashtray  
Cut off some niggas who been bad and they won't act straight (Uh)  
'Cause I don't have time for no niggas who move mad fake (Uh)  
'Cause I don't have time for no niggas who eat off my plate (Uh)  
'Cause I don't have time for no niggas who move mad snake (Move mad snake, yeah)  
Yeah, you saw the text I sent, man it was cold (Yeah)  
Shit, I ain't mean to do it she just another hoe (Hoe)  
Prolly some bitch I would share with all my brothers though (Brothers though)  
Speakin' on some shit that makes me feel uncomfortable (Uncomfortable)  
Caught up in my head that nigga got too comfortable (Comfortable)  
Now I'm down bad excited to go to lunch with you (Yeah)  
Got some shit off your chest and you asked what's wrong with you  
Far away, tell me how to be in your longitude (Longitude, longitude)

She said you need help but first let me find myself  
Time to bring my ass to church so I can find myself (Yeah, yeah)  
Temptation been killing me, I had to bind myself (Yeah, yeah)  
Towels on my shelf, I had to go remind myself  
Yeah, remember the first day I caught you eyeing me (Yeah)  
She said you look like a nigga who wouldn't lie to me (Yeah)  
Fast forward a couple months, said why did you lie to me (Yeah)  
Losing my mind, losing my self, I'm praying for some peace  
R.I.P. my young nigga he left without his piece (Yeah)  
'Cause when I hit my home town I gotta keep my piece  
And back at home I'm with my friends, she screamin' stay with me  
Tryna juggle your ass and music gave anxiety (Yeah)  
Look a nigga now he doin' fine, you see (Yeah)  
I'm tryna have a convo', you playin' hide n seek (Yeah)  
Huh, you tellin' me bad shit like my mind ain't weak (Yeah)  
And just to mask my pain, I spend it on my sneaks
