

Took my bitch shoppin' (yeah), fuck shippin' (woo)
VVS, Chanel, and yeah, you know we here flawless
T-Take another Percocet I can't even feel my body
Niggas think that they can go far, fuck it, you ain't got it
Whole world know you ain't get to it, you ain't gotta lie about
it
Nigga want some smoke, we catch a body, go body for body
These bitches think that they be bringing game, fuck it
Bro just hopped out the [?] feel like they ain't buss it
Hoppin' out the Z06 and anything
Fuck the fame, talkin' on my name, up the flame and bang
Still, still in this bitch with the coat and it's mink
Popped a pill and this bitch said "I'm floating, asleep"
Throw away my advance and stack up you ain't fuckin' with me
I just hopped out up the Jeep

Niggas always pussy, niggas always think it's sweet
5.56 leave his brain mushy, bro I'm tryna C
Shawty love how I talk up on the beat 'cause this shit neat
I got hundred thousand honeybuns, fuck it hit for fun
Niggas always pussy, niggas always think it's sweet
5.56 leave his brain mushy, bro I'm tryna C
Shawty love how I talk up on the beat 'cause this shit neat
I got hundred thousand honeybuns, fuck it hit for fun

I done came up, why'd these niggas switch?
I got hella guns, bitch we got them switches
I got type of money, show your bitch and she gone [?]
It's ok though, I don't want your bitch, nigga
Hoe, I got my own gun, I don't need your switch, nigga
Swear to God, I hate them niggas who be stuck on sneak dissin'
Pray to Allah I don't wake up one day and a nigga missin'
Know my gang has switches, fuck the oppositions

5.56 leave his brain mushy, bro I'm tryna C
