If you not talking that bag nigga carry on  
Niggas steady copying let's get to paragon  
We gone breakup in your crib when your parents gone  
Re-racks on me (on me)  
Let me be your king, baby you can be my queen  
Money bussin' out my jeans (my jeans)  
Baby if he play with you clip long like magazine

Yeah, Yeah we pull up to the scene  
I just got a check so you know a nigga clean  
Kidney started hurting so I had to quit the lean  
Running to this money get the bag that's my dream  
Uhh, yeah hoe we never had a split, nah nah  
Before you pop a nigga like a zit, nah nah  
Baby for you this real right quick, nah nah  
You a demon see'er then your eyes is slits (uh huh)  
Nigga wake up can't you see  
Imma ball till the days niggas bury me (they bury me)  
But its great because I can say no niggas carried me (yeah)  
Baby girl I cherish you, so do you cherish me? (yeah)  
Uh Huh
