Smoking hella thrax in the club, and it got me high

Shawty finna come and throw it back, then I gotta fly

Damn where all my clothes at, I get too fried

Damn where all the hoes at

Damn where all the hoes at, cause I'm too fly

Damn where all the bags at, where the racks at

Everyday look at my phone, it's some new bullshit

Everyday look at my phone, it's some new bullshit

Bitch I count the cash, I get bread hella

Got 100K, plus I got a new cool whip

Pockets getting fat, they a big fella

I heard you a rat, you can't be a seller

Smoking hella thrax in the club, and it got me high

Shawty finna come and throw it back, then I gotta fly

Yeah I got my new hoe back, have her courtside
