

## Feel Nun

SSGKobe

Yeah (woo)

Yeah (woo)

Ya (woo)

I just bought some new Givenchy, chrome hearts it stay on me  
I'm fightin' my demons they all deep  
Put them lil bitch boys on the concrete  
Smokin' dope I can't even feel nun

Yeah I just woke up, I'm finna fuck up my knots  
One day y'all tried acting tough, my shootas clutching a nine  
I'm smokin' dope I can't feel my face  
Stay to myself cause I know these niggas fake  
They too stingy real slimy I can't fuck wit snakes  
In the Bentley or Benz know I'm pushin' the wraith

Niggas hating they could never get it  
Pourin' medicine cup'll get fizzy  
Sippin' lean got my heart drippin'  
In the AMG with the car tinted  
Pourin' 4's up I'm a bartender  
Don't ask me for money I am not your lender  
I'ma stack my bands like a fucking center
