Fuck it up, ball like them NBA fellas

Must be a wish you put me in a spell
I need to feel like I'm leaving my cell
Moving that pack to the mail, pack to the mail
Crack her back, break her back, you know you gon' get it
Walk in the club, I be in there with 4 switches
You on my side, know it's no switching
That nigga broke as the fuck with no ambitions
I'm grandma baby, had no choice. just to go get it
Know what we been through for you to go hard switching
I love when you make me go crazy for you
.556 hit him in his shit, if a nigga play with you

Switchin' up clothes and the poles everyday now
Everyday countin' up money, make her play now
It don't matter where it's at it's with me
Gotta keep going, hold my baby, we rockin' Rick Owens
Tryna grind for the Grammy, on God

Fighting these drugs it's getting annoyin'
