Dumb bitch better go play her part
Kn-Kn-Knew something wrong when the Tris was tart
Br-Br-Broke ass bitch can't even fix her car
I'm in LA and I'm counting the racks
Throwing this chain, tell the ho, "Get back"
Gl-Gl-Glock in the Goyard, bitch in the back
SRT, can't catch this 'Cat

SRT, can't catch up with Jack
Smoking on dope and I'm chilling with Jack
Why you looking? My pockets they fat, ha
Tell her how I'm cracking her crack, ha
See Ko, she throwing it back
'Cause he's dark skin and he got tat-tats, huh
And he got lil' freak named Ty-Ty
Fuckin' with her, you get hit with the Nine-ine
Sippin' on lean, I just poured a lil' line
Tried to pull up, bitch said she tired
I don't got time for the games or the lies
Never had hit her, but I know I could if I tried
This split'll leave him in the sky
AP Pat' on my wrist and that bitch gon' shine
You ain't getting money, just say that
I'm counting racks while I lay back
Goin' so fast, I'm in the Trackhawk
Tried to delay, he won't make it that far
CJ out there making them plays
Stop playing with me, be sipping shit great
Nigga be capping, I'm rapping the game
Counting up money, might hit me a swerve
This bitch all up in my face, but she finna get that curve
Niggas gettin' on bank plays, you better hit up Tor
I seen the money for myself, huh

Ridin' that Coupe and that bitch militant
I'm in a 5% goin' skits
I'm on an X and I love my Perc
She dubbin' you, but for me she twerk
Lost all my partners, I pop for the Earth, damn
Spinnin' the Benz again, damn
Hundred round drum, we spinnin' again
We shootin' to all of his friends, damn
