(Woo Woo)  
(Woo Woo)  
It's 7:30 AM  
(Woo Woo)

Help me, please, please, please (Help me)  
Why are drugs my peace (Help me)  
And I know this shit get hard to hold as it goes  
I'm out of control I just need someone by my side  
Feel so alive It's just how it feels I wanna die  
I'm pourin a line full of purpp I'm sippin on purpp  
You already know everything goes in my head  
You already know I crave you beside my bed  
I'm sorry baby use a soda, what I said

Just another episode, part of the season  
Bitch you know I'm changing clothes, for any reason  
The money go up, go and get it  
Hop in the Coupe and that bitch [?]  
Push the start, these niggas won't get it, yeah  
Finna [?]  
And I'm sorry [?] be my last shot  
I'm sorry to my brothers and sisters I don't even talk  
And I promise I love y'all and it got nothing to do with y'all

Help me, please, please, please (Help me)  
Why are drugs my peace (Help me)  
And I know this shit get hard to hold as it goes  
I'm out of control I just need someone by my side  
Feel so alive It's just how it feels I wanna die  
I'm pourin a line sippin a pain I'm sippin on purpp  
You already know everything goes in my head  
You already know I crave you beside my bed  
I'm sorry baby [?]
