

# Hot!

SSGKobe

Mingo, ahaha  
Oh yeah, this beat produced by Mingo too

Uh uh, shootin' this choppa with no aim  
Like Chief Keef yeah, my diamonds bang  
Goin' Fast n' Furious, I'm stayin' in my lane  
You must be drunk 'cause you talkin' on the gang  
Yeah, I got the drip and it's comin' from the tank  
Straight to the top, goin' up like Aang  
I made a band, copped a Richard Millie Plain  
Called up Zack Bia and he put me on a plane  
Can't be a side nigga, yes I'm a main  
Yes, I'm that nigga baby  
Yes, I'm the man  
She say we don't talk no more, but I don't know ya' name

Callin' my phone, but I know you a nat-nat  
He want some smoke, told his ass to go back-back  
He hit the goat, just like IT, he gon' float too  
Yeah, she my dawg, but I know she a brat-brat  
Slatt slatt  
Carryin' these niggas, they all in my backpack  
Hold on, Hold on, man, Hold on, Hold on  
Ay, JBreezo come hop on this song real quick

Yeah, feelin' like Gunna, 'cause I'm just too hot (hot, hot, hot)  
He want some smoke on the Gram and got blocked  
See him in public say "hey" to this Glock  
Just like Lebron, make his lil' body flop  
He hit the floor, we watched his ass drop  
I call him Dasani, I twist off his top  
You was my lil' boo, now you fuck with the opps  
I don't want no hoes, 'cause I got to get guap  
You tell her one thing and she runnin' it back  
I cut off some niggas they fake as the fuck  
But quackin' on live, when you see me don't duck  
I'm runnin' up bands and I stay in my lane  
Just copped a new chain, but ain't no Johnny Dang  
Yeah, Mingo on this bitch, so I got to snap  
You live what you rappin'  
No bitch, he just cap

Uh uh, shootin' this choppa with no aim  
Like Chief Keef yeah, my diamonds bang  
Goin' Fast n' Furious, I'm stayin' in my lane
