

## Luv U Back

SSGKobe

Too many racks in the bag, it's stuffed with the Goyard (Goyard )  
I got that cup on my side, in love with the lean, yeah (Lean, yeah)  
Shorty, she holding me down, so I can't move at all  
Promise you say that you love me, I love you back

Credit card scammers, yeah, live in a Bruce Wayne manner, yeah  
Spend the money while I throw tantrums, yeah  
So I throw the bands up in the air, yeah  
Throwing the money cause I do not care  
Choppa on me so I hope you aware  
Pay me that feature, I need me that fair  
If you say that you love, don't leave me 'lone  
Don't leave me in the cold  
You the reason I'm cold  
Excuses and neglect left me with no home  
I thought you were my home  
You said we would grow old
