

Woo, woo, woo
Woo, woo, woo
Woo, woo, woo
(Damn, Ryder)

Bitch, I'm fine, thanks for askin'
Gettin' money every day, don't got time for relaxin' (Woo, woo, woo)
M.I.A, they askin' where I been, bitch, I been away
Takin' drugs and smokin' dope so I can relieve the pain (Woo, woo, woo)
M.I.A, M.I.A
She been in my head, in my head (Woo, woo, woo)
I just poured codeine, poured codeine
Still can't go to bed, go to bed (Woo, woo, woo)

I sacrificed myself, like Jesus sacrifices for sins
I just got a Benz and I'ma push it through the wind
I just got a check and I'ma spend it on my friends
I'm lying, finna spend it on my Benz
I'm dying, all the Percs and the Xans
I'm trying the best that I can
Gotta stay high, I don't wanna land
Said fuck love but I'm falling again

Bitch, I'm fine, thanks for askin'
Gettin' money every day, don't got time for relaxin' (Woo, woo, woo)
M.I.A, they askin' where I been, bitch, I been away

Still can't go to bed, go to bed (Woo, woo, woo)
