

Yeah, yeah, skrrt (d.a. got that dope)

Won't lie, but I'm allergic
I'm addicted to splurging
Them hoes pull in suburbans
I'm tryna fuck, booty call is urgent
They tryna ride the wave, be surfin'
We tryna shoot real guns, they nerfin'
We tryna shoot real guns, they nerfin'
We tryna shoot real guns, they nerfin'

I'm on IG, wanna see her in person
Maybe I might buy this lil' ho a Birkin
I ain't got no time for the talk and the flirtin'
Baby, just get on your knees and start slurpin'
Gotta be watching my back 'cause they lurkin'
All of my niggas, they slimey, they surfers
.223's, it's hittin' right through the person
Run up the money, I'm up with the guys
I know the truth, you don't gotta lie
I'm high at the front like Super Why
Cause honestly I wanna touch the sky
He said he gettin' more money than me, then obviously he is a comical guy
They [?] too much money, I'm pulling up, why?
I'm fuckin' yo bitch while I'm grabbing her thigh
Look at my eyes, you can tell I'm high
Save them tears, babygirl, don't cry
She wanna fuck, but that bitch dry
High as fuck, I'm losing my mind
I just poured up about four lines
I just pulled up about four times
And all of my niggas they toting them Glocks, they got mob ties

Won't lie, but I'm allergic
I'm addicted to splurging
Them hoes pull in suburbans
I'm tryna fuck, booty call is urgent
They tryna ride the wave, be surfin'
We tryna shoot real guns, they nerfin'
We tryna shoot real guns, they nerfin'
We tryna shoot real guns, they nerfin'

Hit 'em in the face, might need a fraction
That was back then when I was on my trap shit
Four years later, I'm doing it again
High-rise up but he wiping the tint

Win, all I do is go win
I see the door, yeah, I'ma go in
Hop in the truck, yeah, I'ma go in
I need it, I need it, I need it, I need it
That bitch text me that she miss me and I read it
She wanna come argue and I told her, "Just leave it"
Don't need it, don't need it, don't need it, don't need it
Man, look at my wrist, man, this ho look like Jesus
I call up my bitch just to rock up my pieces
You say you get money, that shit is a thesis

I walk in yo block, creepin', creepin', creepin'

Won't lie, but I'm allergic ('Lergic)
