Yeah I feel like I'm Curry I'm balling
To the top man you know I'm not falling
Always water now you I was [?]
Feel like Wayans man I feel like I'm Marlon
To the top I see pretty lights I can see no
We fight enough we 'gon light it up we 'gon burn it up
I walk in the party I got me that ice
I pour up that act and I'm sipping it twice
I feel like two-three man I feel like I'm Mike
I just popped a perky and all I see white
I gave her a perky and she what she do
Mhmm, and she what she do, yeah
Its changing her moods, aye
Its changing her mood
