I just might dirty my sprite  
Sippin' on Tris 'cause it make me feel fine  
Are you sad nigga? Pull up on me  
Why the fuck you sad nigga? Pull up on me  
Sippin' on that sprite, dirty in my cup  
Sippin' on that sprite, I didn't have enough  
Hop up on the track, niggas say I'm tough  
Gettin' hella bands in during the month  
Gotta get the bands in for the month  
Gotta get the guap in for the week  
I know shawty stalkin' on my tweets

She not givin' top, then I'm finna leave  
This is not a beam, this is just a piece  
I'm a diamond fiend, water aquafine  
Shawty super wet, hoppin' out the scene  
Hit her from the back, got her saying "Please" (Please)  
Choppa bless a nigga, he ain't have to sneeze  
I finessed a nigga, you know I got cheese  
Got Baretta's nigga, we got hella beams  
Pulled up in a coupe, gone in a week  
Nigga want some smoke, we gon' spin the [?]  
Ten bands pictured all on my knees  
Talkin', I see the trends  
You said that you love me forever but I guess you had other plans  
But I'm doing shit that that nigga can't (Rollin' my [?])
