

## Elevate

St. Lucia

I don't know how you do it  
But somehow you always will be there  
And there's nothing to it  
But somehow you always understand  
There's no way to wake up now  
Too many times I saw you cry  
And no one can make up it  
You wait for the sun to make the sky

And no one elevates you, elevates you now  
And no one's gonna take you, gonna take you there

All this time, never thought I would see you smile  
Know that I and I know that I see you now  
But I know I can't walk in  
Never go back again  
No matter how, tonight I'll never go back, never go back again

You know that I want to get away  
And I cannot wait for another day  
You know that I want to elevate  
Time to pick it up and celebrate

Hold on to your heart
