

# Giving It Up

St. Lucia

Giving it up  
You've got to give it up  
Giving it up  
You've got to give it up  
Giving it up  
You've got to give it up  
Giving it up  
You've got to give it up...

Giving it up  
You've got to give it up  
Giving it up  
You've got to give it up  
Giving it up  
You've got to give it up  
Giving it up  
You've got to give it up

Ahhh nooo give it up

Giving it up  
You've got to give it up  
Giving it up  
You've got to give it up

Because life is a rollercoaster  
You can stay or you can run away  
Because life is a rollercoaster  
And you can't have it any other way

Because life is a rollercoaster  
You can stay or you can run away  
Because life is a rollercoaster  
And you can't have it any other way

Giving it up

Giving it up  
You've got to give it up  
Giving it up  
You've got to give it up  
Giving it up  
You've got to give it up  
Giving it up  
You've got to give it up

Because life is a rollercoaster  
You can stay or you can run away  
Because life is a rollercoaster  
And you can't have it any other way

Oohh ohh ohh  
Oohh ohh ohh  
Oohh ohh ohh

Oohh ohh ohh  
Oohh ohh ohh

Oohh ohh ohh

Oohh ohh ohh

Oohh ohh ohh
