

## Last Dance

St. Lucia

Now, there's something I thought that I never thought I could say

It's like I lock and I load but I run out of words

It isn't easy

Coz I run like a lizard but I bow out like James Dean

But you say no, no, no, no

Hold on, my darling

Stay here with me before we go, go, go, go

Please hold onto something

Ooh I can wait, I can wait, I can wait

Is it too late to say

Save it for the last dance?

Now in the flick of a switch we could change everything, darling

g

And as the lights roll down, are we sticking around?

It gets so sticky

Coz the road is littered with impetuous things

And nights like this don't come around quick

Don't you know, know, know, know

It won't be easy

But we'll go, go, go, go

Out where the sky drops

Ooh I can wait, I can wait, I can wait

Is it too late to say

Save it for the last dance?
