

Wait For Love

St. Lucia

I can't believe what I saw yesterday
Too many people try to walk away
Well I believe that you may disagree
That there's a reason right in front of me

When are you gonna start
Makin' up your heart
It is never too late for love to come back
I don't know where to go
I don't know who to show
There's nothing left but to wait for love

I will wait for love
In the morning dew
I will wait for love
When you ask me to
When the morning comes
I will wait for you
And in the afternoon
I will call on you

I can't believe what I saw yesterday
Too many people try to walk away
I believe that you may disagree
That there's a reason right in front of me

When are you gonna start
Makin' up your heart
It is never too late for love to come back
I don't know where to go
I don't know who to show
There's nothing left but to wait for love

I will wait for love
In the morning dew
I will wait for love
When you ask me to
When the morning comes
I will wait for you
And in the afternoon
I will call on you

I will wait for love
In the morning dew
I will wait for love
When you ask me to
When the morning comes
I will wait for you
And in the afternoon
I will call on you
