

Don't Mean a Thing

St. Paul & The Broken Bones

Why did it get so dark?
I can't bear it no more
Oh, I crumble at the foot of love
The master of my pain

And my kingdom is falling
Oh, my kingdom
Oh, it's callin'

Why did the light fade?
Oh, it hurts so bad
These stones I brought
Broke this heart of glass

And my kingdom's gone
And my will won't be done
And I can't come back
Until I find me someone

I feel tired
I can't deal with it anymore
Oh, I can't deal with it, oh
