

# Like a Mighty River

St. Paul & The Broken Bones

All I need is a little tender touch  
And yet we burn the coal  
Oh, baby, I heard what you've been saying  
And I know that we will be all right

You are just a tired girl  
And I am just a tired boy  
And we ain't gonna let it fall  
But you can't, but you can't let me take you down  
'Cause we got to take it slow

Oh but I, I am just working hard  
And you, you  
You're just working through it  
And all of us  
Ah, we just play it cool  
Your love, my love, our love  
Oh, it's like a mighty river, baby

Please, lord, can you hear my prayer?  
Don't let it fall on deaf ears  
But ain't nobody hearin' me  
So I guess I'll just have to speak it

She is just a pure girl  
And I am just a dirty boy  
And we're just trying to work it through  
But there ain't, but there ain't no one to cut me  
Like the words that she used

Oh but I, I am just working hard  
And you, you  
You've been just working, too  
And all of us  
Ah, we just play it cool  
Your love, my love, our love  
Oh, it's like a mighty river, baby

Gotta let it, let it flow  
Gotta let it, let it flow  
I know, I know  
I've gotta, gotta  
You've gotta let it flow  
I said let it flow
