

# Ooo-Wee

## St. Paul & The Broken Bones

I saw the lifght

Dirt in the sky  
Lonely the sound of footsteps on the gravel  
Living a lie  
Never around  
Oh. I hope no one will discover  
Dairy Queen is where she took me to tell me that her baby had my eyes  
I got on my knee, went half pass crazy. I said, "Darling..."

What did I say?

Ooo-wee I saw the light  
I saw it  
Ooo-wee I saw the light  
I saw it  
Ooo-wee I saw the light  
I saw it  
Ooo-wee I saw the light

Burns in the sky  
Losing my mind  
When she left me for another  
Encounter the drug  
That comes from above  
Holy spirit come and take me

I never knew my only baby was taken from me by the friendly state  
So, I took my truck with a 12-gauge hoping Mitchel Flat was the last thing I  
'd see

I said

Ooo-wee I saw the light  
I saw it  
Ooo-wee I saw the light  
I saw it  
Ooo-wee I saw the light  
I saw it  
Ooo-wee I saw the light

Devil's gone  
But I don't feel like I am alone  
Ain't no gold in the rock that we stood on  
Then I go home  
Maybe they took me home  
Take me home

I said

Ooo-wee I saw the light  
I saw it  
Ooo-wee I saw the light  
I saw it  
Ooo-wee I saw the light
