

# Dead & Gone

Stabbing Westward

I failed to realize I'd found everything in you  
And like a fool I took it all for granted  
Was too self-absorbed to see the pain has put you through  
And you don't believe in second chances

How can I go on  
When my last hope is gone?  
How can I go on  
When my last hope is dead and gone?

You were the hope that pulled me through my darkest nights  
But every time you needed me I failed you  
No longer want to live the life you've left behind  
If it means I must face it without you

How can I go on  
When my last hope is gone?  
How can I go on  
When my last hope is dead and gone?  
Dead and gone

You told me once I wrote the soundtrack to your life  
But I doubt you'll ever hear this song  
I'm so scared it might be the last chance I'll ever have  
To say I'm sorry I was wrong

How can I go on  
When my last hope is gone?  
How can I go on  
When my last hope is gone?  
How can I go on  
When my last hope is gone?  
How can I go on  
When my last hope is dead and gone?  
Dead and gone  
Dead and gone  
Dead and gone
