

All I Do Is Dream Of You

Stacey Kent

All I do is dream of you the whole night through
With the dawn, I still go on and dream of you
You're every thought, you're everything
You're every song I ever sing
Summer, winter, autumn and spring

And were there more than twenty four hours a day?
They'd be spent in sweet content dreaming away
When skies are gray, when skies are blue
Morning, noon and night time too
All I do the whole day through is dream of you

All I do is dream of you the whole night through
With the dawn, I still go on and dream of you
You're every thought, you're everything
You're every song I ever sing
Summer, winter, autumn or spring

And were there more than twenty four hours a day?
They'd be spent in sweet content dreaming away
When skies are gray, when skies are blue
Morning, noon and night time too
All I do the whole day through is dream of you
