

# I Wish I Were in Love Again

Stacey Kent

The sleepless nights - the daily fights  
The quick toboggan - when you reach the heights  
I miss the kisses - and I miss the bites  
I wish I were in love again

The broken dates - the endless waits  
The lovely loving - and the hateful hates  
The conversation - with the flying plates  
I wish I were in love again

No more pain - no more strain  
Now I'm sane - but I would rather be punched - drunk

The pulled out fur - of cat and cur  
The fine mismatching - of a him and her  
I've learned my lesson - but I wish I were  
In love again

The furtive sigh - the blackened eye  
The words: "I love you - 'til the day I die"  
The self deception - that believes the lie  
I wish I were in love again

When love congeals - it soon reveals  
The faint aroma - of performing seals  
The double-crossing - of a pair of heals  
I wish I were in love again

No, no more care - no, no despair  
Now I'm all there (now) - but I'd rather be puncdrunk

Believe me sir - I much prefer  
The classic battle - of a him and her  
I don't like quiet - and I wish I were  
In love again - in love again - in love again
