

One Note Samba

Stacey Kent

This is just a little samba, built upon a single note
Other notes are bound to follow but the root is still that note
Now this new note is the consequence of the one we've just been
through

As I'm bound to be the unavoidable consequence of you

There's so many people who can talk and talk and talk
And just say nothing or nearly nothing
I have used up all the scale I know and at the end
I've come to nothing or nearly nothing

So I come back to that one note
As I must come back to you
I will pour into that one note all the love I feel for you
Anyone who want the whole show
Re, mi, fa, so, la, te, do
He will find himself with no show
Better play that note you know
He will find himself with no show
Better play that note you know

This is just a little samba, built upon a single note
Other notes are bound to follow but the root is still that note
Now this new note is the consequence of the one we've just been
