

# Big Electronic Beat

Stacey Q

Big electronic, big electronic, beat  
Big electronic, big electronic, beat

Jimmy go down to music town  
Buy a synthesizer, nothing down  
He don't need an amp for it  
He got sixteen tracks and a straitjacket  
Baby, I'm a rhythm ace

I can make it naughty, I can make it nice  
I can make it any way, choose your own device

Big electronic, big electronic, beat  
Big electronic, big electronic, beat

Computer language he can speak  
Love his digital physique  
When he plays the soft machine  
Ooh I want to scream!  
Baby, I'm a rhythm ace

Big electronic, big electronic, beat  
Big electronic, big electronic, beat

Jimmy recorded in a jet  
Want to hear it on cassette  
The sound that makes you tap your feet  
The big electronic beat

Big electronic, big electronic, beat  
Beat, beat  
Big electronic, big electronic, beat  
Big electronic, big electronic, beat
