

Dancing In The Dark

Stacey Q

I l-l-l-love
I love to dance
I love to dance
We were dancing
Dancing in the dark
Sweet romancing
Something's gonna start

He stepped into the night
With his heart open wide
I was standing there
With nowhere left to hide
He looked to me like a shadow
Moving in the night
Then took a hold of my hand
In the soft moonlight

And we were dancing (dancing romancing)
Dancing in the dark (dancing romancing with you)
Sweet romancing (dancing romancing)
Something's gonna start (dancing romancing with you)
We were dancing

I could hear his heartbeat
Pounding in the night
I could feel his body
Starting to be kind
With his soft red lips
Made up my mind
His soothing kiss
Was all I desired

And we were dancing (dancing romancing)
Dancing in the dark (dancing romancing with you)
Sweet romancing (dancing romancing)
Something's gonna start (dancing romancing with you)

We kissed and touched
But it wasn't enough
To stop this wheel of fire
One step at a time
And I knew he was mine
We were lost in the heat of desire

We were dancing (dancing romancing)
Dancing in the dark (dancing romancing with you)
Sweet romancing (dancing romancing)
Something's gonna start (dancing romancing with you)

No way, no way at all
To stop us moving closer
Each look in his eyes
Made my heart beat in time
Over and over and over and over
I love to dance
Dance, dance
Dancing in the dark

Sweet romancing (dancing romancing)
Something's gonna start (dancing romancing with you)

We were dancing (dancing romancing)
Dancing in the dark (dancing romancing with you)
Sweet romancing (dancing romancing)
Something's gonna start (dancing romancing with you)
