

Tara

Stacey Q

High on a hill
One man looking down
Up in the sky
He could see for miles and miles

When he remembered the vow he made
His heart sunk, oh, so low
And a single tear rained down around us all

When Tara spins red, white, green and blue
On the air
Always there for you

Om Tare Tuttare Ture Soha
Om Tare
Om Tare Tuttare Ture Soha
Om Tare
Om Tare Tuttare Ture Soha
Om Tare

On that day out of love, she came into this world
A girl so beautiful, with a heart of gold
She said "to shelter you from harm
Well, I'd do anything, anything, anything"
Ride as high above, she never grows old

Now Tara spins red, white, green, and blue
On the air
Always there for you
There for you

Om Tare Tuttare Ture Soha
Om Tare
Om Tare Tuttare Ture Soha
Om Tare
Om Tare Tuttare Ture Soha
Om Tare
Om Tare Tuttare Ture Soha

Om Tare
Om Tare Tuttare Ture Soha
Om Tare
Om Tare Tuttare Ture Soha
Om Tare
Om Tare Tuttare Ture Soha
Om Tare

And now a rain of flowers come down around the mountain
And a yellow lady danced across the sky
Until the clock that strikes me out loses its meaning
And your life flashes right before your eyes

Don't you cry
She's on your side
And she promises to stay
Just the girl she is

Yes, Tara spins red, white, green, and blue
On the air
Always there for you
There for you

Om Tare Tuttare Ture Soha
Om Tare
Om Tare Tuttare Ture Soha
Om Tare
Om Tare Tuttare Ture Soha
Om Tare
Om Tare Tuttare Ture Soha

Om Tare
Om Tare Tuttare Ture Soha
Om Tare
Om Tare Tuttare Ture Soha
Om Tare
Om Tare Tuttare Ture Soha
Om Tare
Om Tare Tuttare Ture Soha
