

# Tenderness

Stacey Q

Everybody needs somebody they love best  
Yes, yes, yes  
Everybody's looking for a place to rest  
Yes, yes, yes  
Everybody shares a certain loneliness  
Yes, yes, yes  
The secret is in learning how to share the rest  
Yes, yes, yes

We all need a little tenderness  
Tenderness  
From the finest mansion to the sparrow's nest  
Deep within  
It all begins with tenderness  
Yes, yes, yes

I used to be an island in a stormy sea  
Yes, yes, yes  
Miles from harbor and your company  
Yes, yes, yes  
I was locked on the rocks  
I could not get free  
Yes, yes, yes  
'Til I felt the waves of kindness washing over me  
Yes, yes, yes

We all need a little tenderness  
Tenderness  
From the finest mansion to the sparrow's nest  
Deep within  
It all begins with tenderness  
Yes, yes, yes

We all need a little tenderness  
Tenderness  
From the finest mansion to the sparrow's nest  
Deep within  
It all begins with tenderness

We all need a little tenderness  
Tenderness  
From the finest mansion to the sparrow's nest  
Deep within  
It all begins with tenderness

Yes, yes, yes  
We all need a little  
Yes, yes, yes  
We all need a little

We all need a little tenderness  
Tenderness  
From the finest mansion to the sparrow's nest  
Deep within  
It all begins with tenderness
