

## We Connect

Stacey Q

We connect  
When we're together it's so perfect  
Boy, you shock me with your wide hot love  
I start to overload, I explode when we connect

It's no exaggeration, not imagination  
You're the finest boy around  
Playing with temptation, overnight sensation  
With a boy from the wrong side of town

Give me your love and affection  
Dance with me tonight  
Give me all of your attention  
Dancing in love's light

We connect  
When we're together it's so perfect  
Boy, you shock me with your wide hot love  
I start to overload, I explode when we connect
