

You Wrote the Book

Stacey Q

All this talk about love
Never knew what the fuss was all about
There were boys that I liked
But no one could touch my heart 'til you
Ooooo, baby, you drove onto my lonely street
And were so debonair
With your savoir-faire
You really swept me off my feet

You wrote the book of love
You know how good, good I can be
You wrote the book of love
You know it all from A to Z
Come on and teach it to me

A-E-I-O-U
Baby, I love you
When you hold me so tight
I forget everything I ever knew
Now I know love can be
Just as easy as ABC
It's true, baby, those other boys were such a bore
Tell them don't come around
'Cause I've already found
The one that I've been looking for

You wrote the book of love
You know how good, good I can be
You wrote the book of love
You know it all from A to Z
Come on and teach it to me
