

Dream Boy

Stacey Ryan

You could take me round the world to see the sites
And, after, we could lay out on the beach, watch the stars at night
And we could go, we could go dancing
But only if you're the one who's asking
You're perfectly attentive, always make sure I'm alright

But then I realize it's too good to be true
When I'm about to reach for you

You're just a dream boy, dream boy
My 'never meant to be' boy, be boy
'Impossible to touch and tease' boy
My 'got me begging, "Please don't leave"' boy
I could go out, meet plenty of guys
But none of them will live up to the man in my mind
I would rather dream boy, dream boy
About my dream boy (Dream boy)

I went to dinner with somebody I just met
He was your typical boy in a band who you'd meet on the internet
It wasn't something he did or even something he said
But all I could think about was getting back into bed

To see my dream boy, dream boy (Oh)
My 'never meant to be' boy, be boy (Oh)
'Impossible to touch and tease' boy (Oh)
My 'got me begging, "Please don't leave"' boy (Oh)
I could go out (Out), meet plenty of guys (Guys)
But none of them will live up to the man in my mind (Uh-uh)
I would rather dream boy, dream boy (Oh)
About my dream boy (Dream boy)

Gotta get that R-E-M
So that I could maybe see you again
Gotta get that R-E-M
So that I could maybe see you again

You're just a dream boy, dream boy (Oh)
My 'never meant to be' boy, be boy (Dream boy)
'Impossible to touch and tease' boy (Oh)
My 'got me begging, "Please don't leave"' boy (Dream boy)
I could go out (Out), meet plenty of guys (Guys)
But none of them will live up to the man in my mind (Oh, no, no, no)
I would rather dream boy, dream boy (Oh)
