

## The Idea

Stacey Ryan

I, I miss that feeling  
The feeling of somebody close  
I, I crave that feeling  
The feeling that I miss the most

Empathy is part of me, and everything that comes with it is first class  
I'm riding in economy, and I don't know how long it'll last  
Is there something wrong with me that I'll never be able to see

I can't wait to be alone with you  
Are the epitome of perfection, you know  
I guarantee ya that we can compete with the portraits in my mind  
They have always been so kind  
Can't wait to meet ya, but am I in love with you, or just the idea
