Stuck

Stacie Orrico

I can't get out of bed today Or get you off my mind I just can't seem to find a way To leave this love behind I ain't trippin' I'm just missing You know what I'm saying You know what I need You can't be hanging on a string While you make me cry I try to give you everything But you just gave me lies I ain't trippin' I'm just missing You know what I'm saying You know what I need Every now and then When I'm all alone I'll be wishing you will call me on the telephone Say you want me back But you never do I feel like such a fool There's nothing I can do.. I'm such a fool For you I can't take it What am I waiting for? I'm still breaking I miss you even more And I can't fake it The way I could be for I hate you but I love you I can't stop thinking of you (2x) $\left(2x \right)$ It's true I'm stuck on you Now love's a broken record that's Been skipping in my head I keep singing yesterday Why we've got to play these games we play? I ain't trippin' I'm just missing You know what I'm saying You know what I need Every now and then When I'm all alone I'll be wishing you will call me on the telephone Say you want me back But you never do I feel like such a fool

I can't take it What am I waiting for? I'm still breaking I miss you even more And I can't fake it The way I could be for I hate you but I love you I can't stop thinking of you (2x) It's true I'm stuck on you Every now and then When I'm all alone I'll be wishing you will call me on the telephone Say you want me back But you never do I feel like such a fool There's nothing I can do.. I'm such a fool For you I can't take it What am I waiting for? I'm still breaking I miss you even more And I can't fake it The way I could be for I hate you but I love you I can't stop thinking of you (2x) It's true

I'm stuck on you
