I'm fresh of the tour but I'm back in the hood
Keep the hoop ride parked in the back of the hood
Hop out, shoot a nigga through the back of the hood
Stay the f*ck out of nightclubs thinking you're tough
Don't believe me then ask dude that got his ass snuffed
Security won't do shit when niggas calling you bluff
I've done study some of this rap shit far to much
We catch him slipping we get him we gon keep that nigga
Scoobys was with me you lucky they ain't eat that nigga

This rap shit is a persoda I brought cars of crack

Reach your son ask he'll say he won't be like Stack
I'm an ounce from a robbery
Freestyle away from success
In other words my life is a mess
They don't know how to express the hate
You tryna get a rep, you gon get an expiration date
Everything that sparkles ain't diamonds
Everything that glitters ain't gold
Everything that's brought ain't meant to be sold
The coke price supposed to go up
He say he got it for cheap
Then they selling you that 40p blow up
I'm a grown as kid, I'm never gonna grow up
And I don't care if it's raining, the roof never gonna go up
I put in a garage
Bitches can't believe their eyes
I'm sort of like looking at a mirage
Arm out the window and showing of Geopard
Try get a quickie from Vickie hoping Nicki Minaj

When Ray J and Whitney was ugh, kissing
I was bagging a thousand grams in my kitchen
