No Strings Attached

Stacy Barthe

No one can take your place
But I gotta take you

Misery, loves company
So won't you come over babe spend the night with me
Since mister pride ain't come through the night
Why don't you come show you what sex with you is like
'Cause I'm a little lonely I need someone to hold me
And I'm just need a body

I want you you you you you
You you you you
No strings attached
I want you you you you you
You you you you
No strings attached

Now that is [?] me and you what you wanna do
Should we start here or in the bedroom
I'm a get the lights on so sugar I can show you how she makes m
y
Love come down, yeah
'Cause I'm a little lonely
I'm used to when she holds me, oh
I don't want just anybody

I want you you you you you
You you you you
No strings attached
I want you you you you you
You you you you
No strings attached

Love me [?] you
If only for the night, if only for one night
'Cause I'm a little lonely
I need someone to hold me
Not just anybody yeah yeah yeah

I want you you you you you
You you you you
No strings attached
I want you you you you you
You you you you
No strings attached
