Silent Screams

Stacy Barthe

Don't sleep with your back turned to me
I'll be having bad dreams when you do it
I'll be on the other side of you, going through it
Wear myself to sleep sometimes, some nights.

You never get to hear my silent screams
You never get to hear my silent screams

I don't need to be so needed
I can't help myself from wanting all your attention
It's probably something deep that happened under here
Maybe daddy issues 'cause he wasn't there
I guess I just find refuge in your arms.

You never get to hear my silent screams.
You never get to hear my silent screams.
